## **PRIME LAMBS WANTED DEAD OR ALIVE!**

With the new lamb season in full swing we are experiencing a big demand for lambs of all weights. With numbers forward being well up on the year prices are running 40p to 60p per kg liveweight ahead of last year. Given the demand and current high prices we would actively encourage you to keep selling even if it means taking them slightly lighter at this stage.

Whether you sell liveweight or deadweight we have a wide range of outlets and are ever keen for your business. To discuss matters further contact the following
