

**WALLETS MARTS CASTLE DOUGLAS LIMITED
MONDAY 17TH JUNE 2019
OTM & STORE CATTLE**

Wallets Marts Castle Douglas Limited sold 43 store and OTM cattle at their sale on Monday 17th June.

A small show of cattle were forward merely due to an abundance of grass available this year. The cattle on offer were well bid for selling to a top of £865 or 212.2p per kg for a pair of simmentals from Glenturk, Newton Stewart. Simmental Heifers from the same home sold to £830 and 198.6p per kg. Bullocks averaged 198.7p whilst heifers were 191.3p.

A quality show of 33 OTM cattle were a remarkable trade considering deadweight prices continuing to plummet. Topping the sale at £1005.20 was an Aberdeen Angus from Balcraig Moor and 170p per kg for a Limousin steer from West Balscalloch. The sale average levelled at 128.9p per kg.
